PRINCIPAL'S MORNING TEA

Congratulations to students who joined me on Monday for a special morning tea to acknowledge their exemplifying the virtue of **FRIENDLINESS**. Parents of these students will be sent a letter to acknowledge their son/daughter's achievement as we value students who practise and role model **FRIENDLINESS** in their daily learning and interactions with others.

3 WAY CONFERENCES (8th and 10th May)

In the second week of term 2 we are conducting 3 Way Conferences (10 minutes duration) in your child's classroom. The students, teacher and parent/caregiver meet to discuss progress to date, set learning goals and share other relevant information. **We encourage your attendance.** Teachers will make contact with you if you don't make a request for a conference to arrange an alternative time. This process is a significant way of supporting your child's learning and achievement. If caring for younger children is preventing you from attending we encourage you to bring them along if you are unable to organise alternative supervision.

NB that school will finish at 1:45pm on the Monday (normal time Wednesday), a form will go home start of term 2 so that you can advise the school if your child requires supervision on the 8th May.

We are booking interviews online through the School Interview website. This way gives more flexibility to choose a time that suits you and if you have more than one child it will be easier to get interview times closer together. You will also have the option to meet with any of our specialist staff, deputy principals or principal.

Bookings are now open at www.schoolinterviews.co.nz. The event code is '**cawuf**'. Once logged in you enter your name, child's name and email address. Then select the teacher/s that you wish to meet with and then select the time. When you have finished your interview timetable will be emailed to you. You can return to the site and change your interview whenever you want.

If you do not have access to a computer please feel free to contact the office and we will make a booking for you. School number 035477131 extn 700.

Kind regards
Derek Lucic'
Principal

Winter Tournament will be held on Thursday/Friday 17 & 18 August.

Summer Tournament

Friday 31st March Broadgreen Intermediate participated against the other Intermediates and Year 7/8 Schools in the region in 10 different sports that varied from Orienteering to Mountain Biking.

The Bowls tournament held at Tahunanui Bowling Club showed that there is some real talent emerging with BIS Team 1 playing against BIS Team 2 in the final. Jamie Hampson and Bailey McGinn were standouts.

BIS sent 6 teams to Volleyball at Nelson Intermediate and finished 3rd with all of the other teams placing in the top twelve. Mountain Biking was highly competitive and held at Silvan MTB Park. Once again BIS students were to the fore with Elliot Schroder 3rd overall Year 7 girls, Brynley King 2nd overall Year 7 boys and Seth Buckley 2nd overall year 8 boys. Over 400 students from across the region competed at Rabbit island in orienteering which was totally enjoyed by all. Kiwi tag, Touch and Ki o Rahi were all competed in well by the Broadgreen Students. Softball at Saxton Diamonds was a big success for Broadgreen with the team playing in the final against Nelson Intermediate. This is the first Summer Tournament BIS have won a game let alone 4

games in a row.

Wednesday Volleyball league

The Broadgreen year 8 girls Volleyball team Kakariki competed in the Final against Waimea Intermediate and took the final 2-1. A fabulous result for a bunch of great kids that love volleyball. The year 8/7 mixed team Karaka came 3rd and Kahurangi came 10th in their grade and Broadgreen Kowhai 8th in their grade. Thank you coaches and parents for your assistance this season.

Sunday Volleyball Tournament - The Kakariki team also won this tournament in their respective grade

Tuesday night Year 7/8 Hockey

Broadgreen played the final of the Intermediate Hockey league against the ABEES a team from Waimea Intermediate. The result in our favour thanks to a strong team effort and a dizzy performance from Max Baker at the back. Truly proud of the wonderful group of kids that have played every Tuesday for the past 7 weeks.

Payment for sport at Broadgreen

The Sport Coordinator can assist in gaining assistance to help pay for sport for your child. The Sport Start programme will pay up to \$35.00 towards sport costs for your child. The Fifeshire Foundation will assist with costs also. Please make contact with Lee in the Sports Office for application forms.
