Nau mai, haere mai ki te kura o Broadgreen

BROADGREEN STORY

Belonging to Broadgreen is to know our 'story' that is what we stand for and who we are, our identity. 4 significant features at our school entrance symbolise our 'story' as follows;

VOICE BOX:

This sculpture is at the front of the school to ensure students are the forefront of our care and considerations. It has sculptured faces of ex-students, the lid of the box is permanently removed to let the 'voices out' symbolising the school's role in developing student voice through learning and leadership.

3 COLUMNS:

These columns are the colours of the houses representing our local history, virtues and contributing schools. These acknowledge students' previous learning and experiences they bring to Broadgreen. The 3 columns represent the 3 opportunity's presented at Broadgreen ie to self-improve, develop an existing talent/skill further and to challenge oneself through trying something new – stepping out of our comfort zone.

MAORI CARVING:

This well crafted feature acknowledges the uniqueness of New Zealand that is our Maori heritage and the importance of Maori students and their contributions to Broadgreen.

STAR:

The star's at the foot of our flagpole symbolise the Sothern Cross constellation. They also represent the 'Broadgreen Way' ie

- Safety
- Together
- Achieving
- Respectful

NOTICE FROM THE FINANCE OFFICE

Printed statements are being given to all students this week. There may be camps on this statement for your class. If camp is later in the year for you, you do not need to pay until one week prior to camp date. The reason we put camps on early is to give parents the opportunity to time payment over the year.

Parents paying automatic payment, please use these statements as a record for your balance. Once an automatic payment is set up we normally take off the most important, i.e. camp, music, sport. After that specialist fees and lastly voluntary donation.

Any questions of a financial nature please contact Janette on 035477131 ext 713.
