National Writing Activity

A number of classes at Broadgreen took part in a national writing activity from “School Kit”. Students were provided with postcards and an information sheet about their class. After learning about metaphors, students wrote a poem about themselves and chose their best metaphor to write on their postcard. These were then sent to a school somewhere in New Zealand, with a package being sent back to them!

SPORTS

NETBALL COACHES NEEDED!

"We are in urgent need of 4 volunteers to coach 4 Broadgreen Netball teams (3 Y7 teams and 1 Y8 team). If you are interested or know someone please contact Kaye Tamarua through the school office or email on ktamarua@broadgreen.school.nz. It would be disappointing for the girls if they were not able to play netball, it is a requirement of Nelson Netball that all teams have a designated adult with them when playing on Saturdays".

Cricket

Our results against Waimea Grizzlies today. We lost the toss and began the batting in a heavy dew. A rearrangement of the batting order gave us strength at the beginning and end (especially once the lollipop bowlers came along), with solidity in the middle with Fallow - who spent 40 minutes at the crease, and certainly paid off. Experiments are certainly the name of the game. We batted through the 30 overs, losing 6 wickets and finishing on a nice tidy, even 100.

Heading out to take the field, the boys put on a nice intimidating display with a huddle in the centre of the pitch whilst awaiting the incoming batsmen, this continued and was certainly bolstered by the interjections from our energetic keeper, Lovell, who is excelling at his new job, and doing exactly what he is supposed to!! 3 wickets fell for 5 runs, and we were off to an amazing start. Waimea finished after 18.1 overs, all out on a tightly held score of 43.

Being that our current focus is on batting, player of the day went to Lucky Singh with a fabulous 22 runs, including a couple of fours. But special mention also goes to Peters who ended up with 4 wickets in his 3 overs, that included, 2 clean bowls, a caught and bowled and a close up catch taken by Hampson on the 2nd ball of the first over from Peters.

Health Bytes: Road Safety

Speed around schools is a major public health and road safety issue. The faster you go the less time you have to react and the longer it takes to stop. Children are most at risk, especially in the morning and afternoon when they're walking and cycling to and from school.

Pedestrian casualties (deaths, serious and minor injuries) occur the most at school peak times (7 - 9am and 2 - 4pm). Source – NZTA Crash Analysis
